

FOREST AGMS 2018

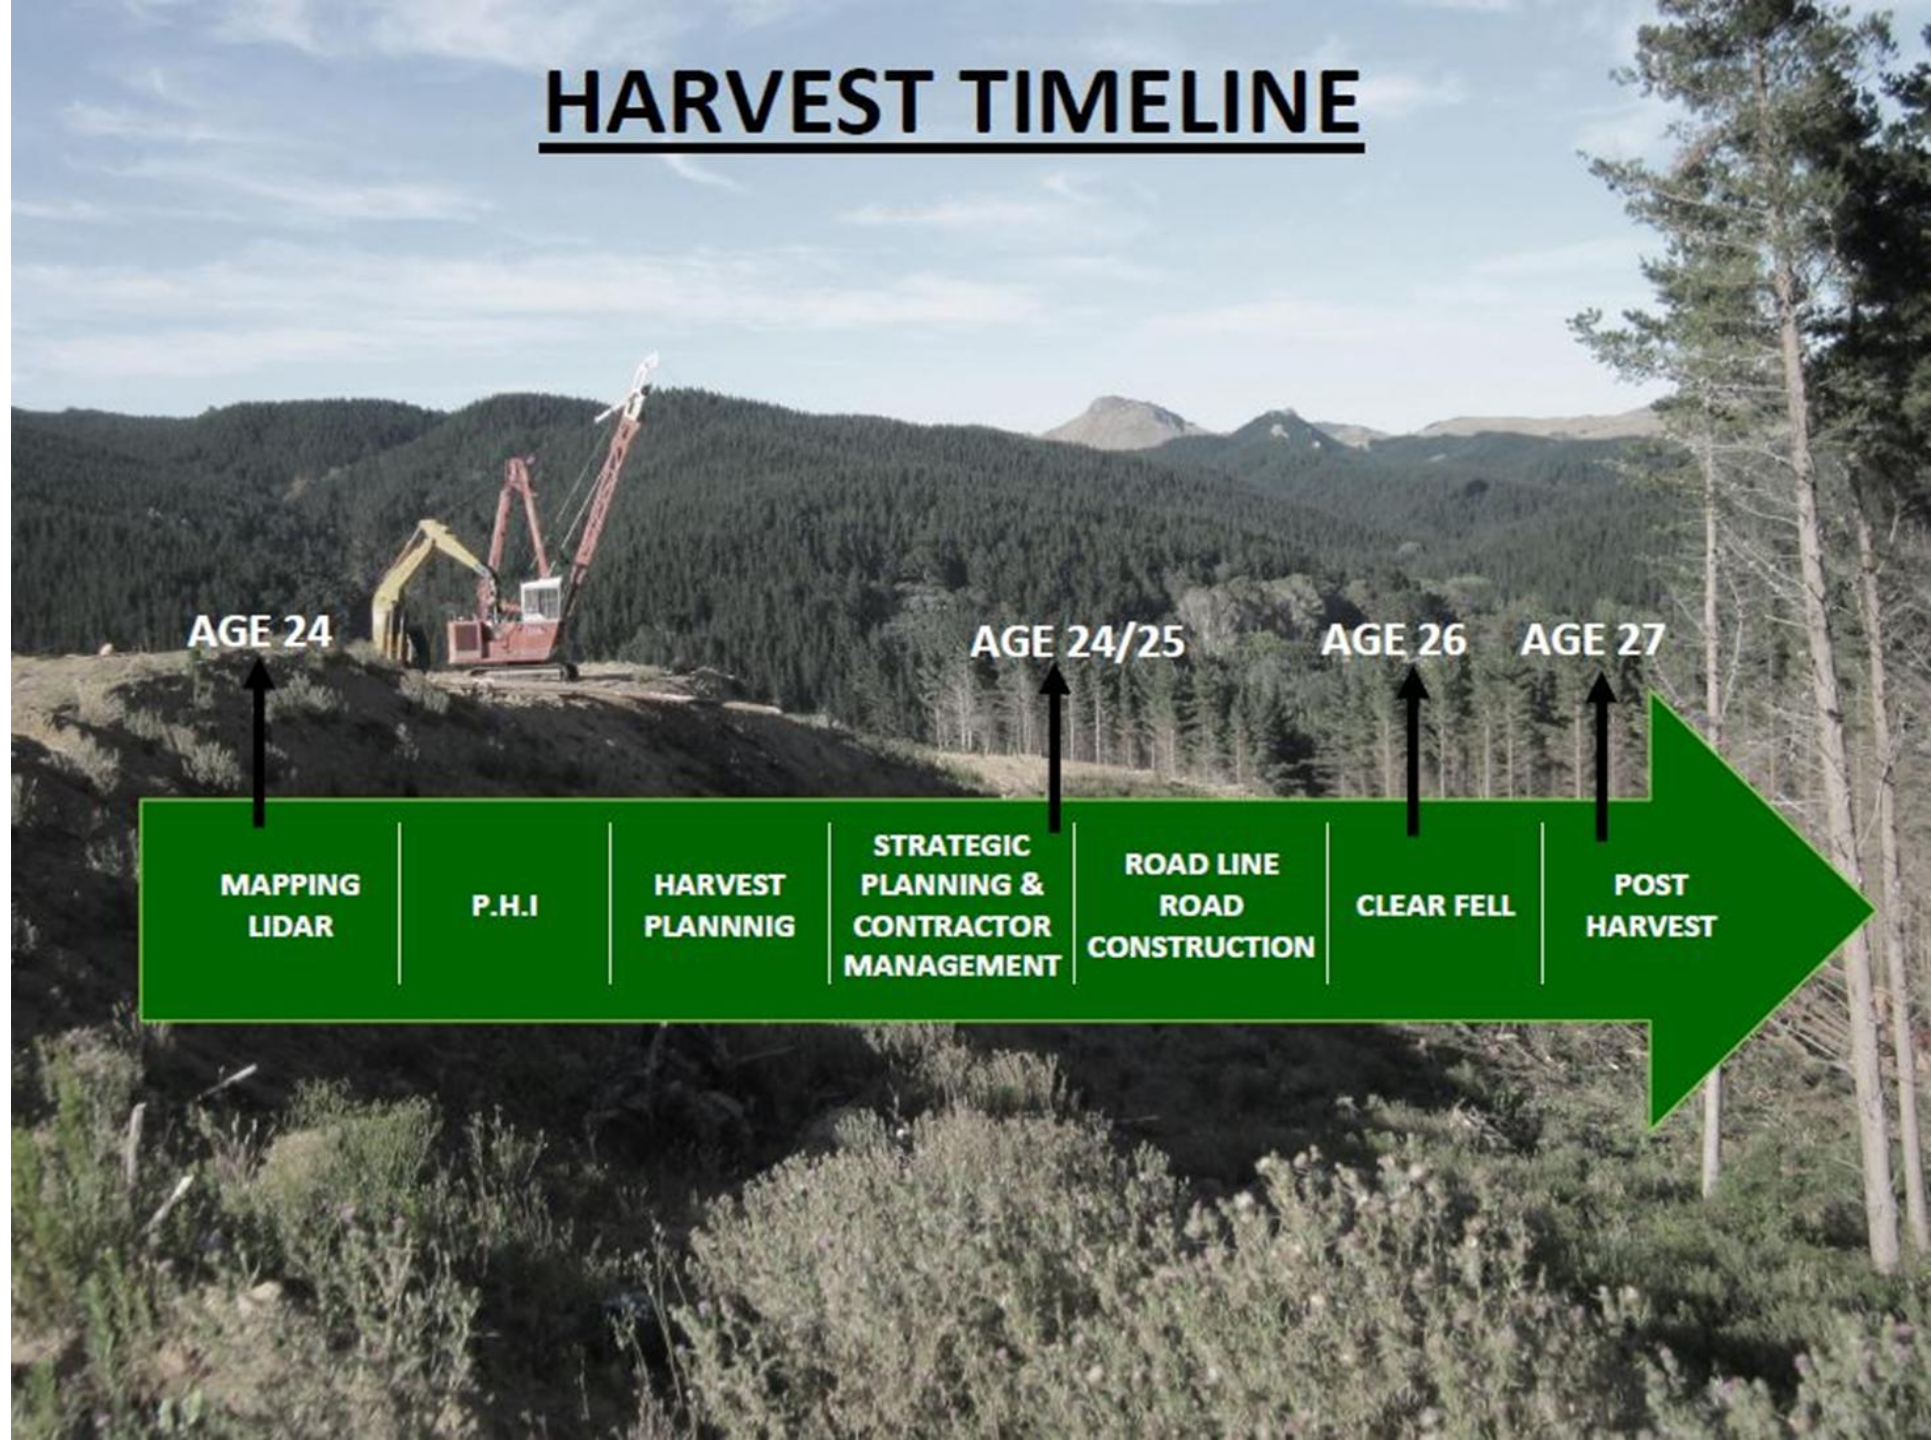

• Haroldene

The background image shows a lush green field in the foreground, separated from a forest by a wire fence. In the forest, a green excavator is visible on the left, and a log truck is in the center. Large stacks of logs are piled up on the right side of the forest. The text 'TOPICS COVERED' is overlaid in the center in a large, green, outlined font.

TOPICS COVERED

- Progress Report
- Harvesting
- FMNZ Harvesting and wood supply update
- Log Market Update

HARVEST TIMELINE

Progress Report

- Clearfelling of older stand
- Roadline stripping
