RESOLUTION

To consider and if thought appropriate, pass the following resolutions:

Resolution 1 : Progressive sale of NZU's

"THAT the Eskdale Forest Partners authorise the Forest Manager to progressively sell sufficient Liability Free NZU's to meet the annual forest operating expenses."

Resolution 2 : Retirement and appointment of Partnership Manager

"It is hereby resolved, as an ordinary resolution pursuant to clause 18 and schedule 1 of the Deed of Participation for the Partnership (in particular, rule 5 of Schedule 1), that:

- with effect from 1 May 2015, Roger Dickie Enterprises Limited (Company Number 7690) (Retiring Manager) will cease to be the manager and administrator of the Partnership;
- Roger Dickie (N.Z.) Limited (Company Number 5625185) will be appointed as manager and administrator of the Partnership contemporaneously with the removal of the Retiring Manager;
- and, the Retiring Manager and Corporate Trust Limited (as the statutory supervisor of the Partnership) are authorised to do everything, and enter into all documents, necessary or desirable to give effect to the change in manager and administrator referred to above."

Background to resolution

As previously advised, the Financial Markets Conduct Act 2013 (FMCA) was passed at the end of 2013 and is coming into force in stages. The FMCA fundamentally changes the laws that regulate the governance of managed investment schemes, including your Partnership. Amongst other things, it requires managers to hold licenses issued by the Financial Markets Authority, and for deeds of participation to contain specific information. The FMCA will apply to your Partnership from 1 December 2016, unless we elect to enter into the regime in respect of the Partnership earlier.

At this stage our thinking is that our investors' interests are best served by an early election, i.e. prior to 1st December 2016 and we are working to achieve this.

We are now taking the first major step, which is to change the current manager and administrator to a newly incorporated company, formed specifically for the purposes of FMCA compliance. You will notice the new proposed manager has the same name as the current manager. We have done a name swap to ensure continuity of the brand, but of course this change of name cannot operate to change the manager. This change requires the partners' approval, by ordinary resolution.

The reason for the need to make the name swap is to enable other Roger Dickie business interests to continue to operate as Roger Dickie Enterprises Limited and Roger Dickie (N.Z.) Limited can operate solely as the manager of the Partnerships.

The next significant step in the Partnership's transition to the FMCA will be to ensure that the Partnership's Deed of Participation complies with the FMCA. This will require adoption of a new deed which we will do at a subsequent meeting. We will keep you informed of progress.
